popularity,  
and cuisine  
type.

# A bit about Kyoto

As Japan's former capital and seat of the imperial court for over a millennium, Kyoto offers a rich culinary tradition. The local food culture is diverse and ranges from aristocratic kaiseki course dinners to vegetarian shojin ryori of monks and the simple obanzai home-style cooking.

# Kyoto Restaurant Rating

Region	TotalRating		
	max	min	mean
American	3.59	3.0	3.248478
Asian	4.06	3.0	3.307907
European	4.02	3.0	3.307761

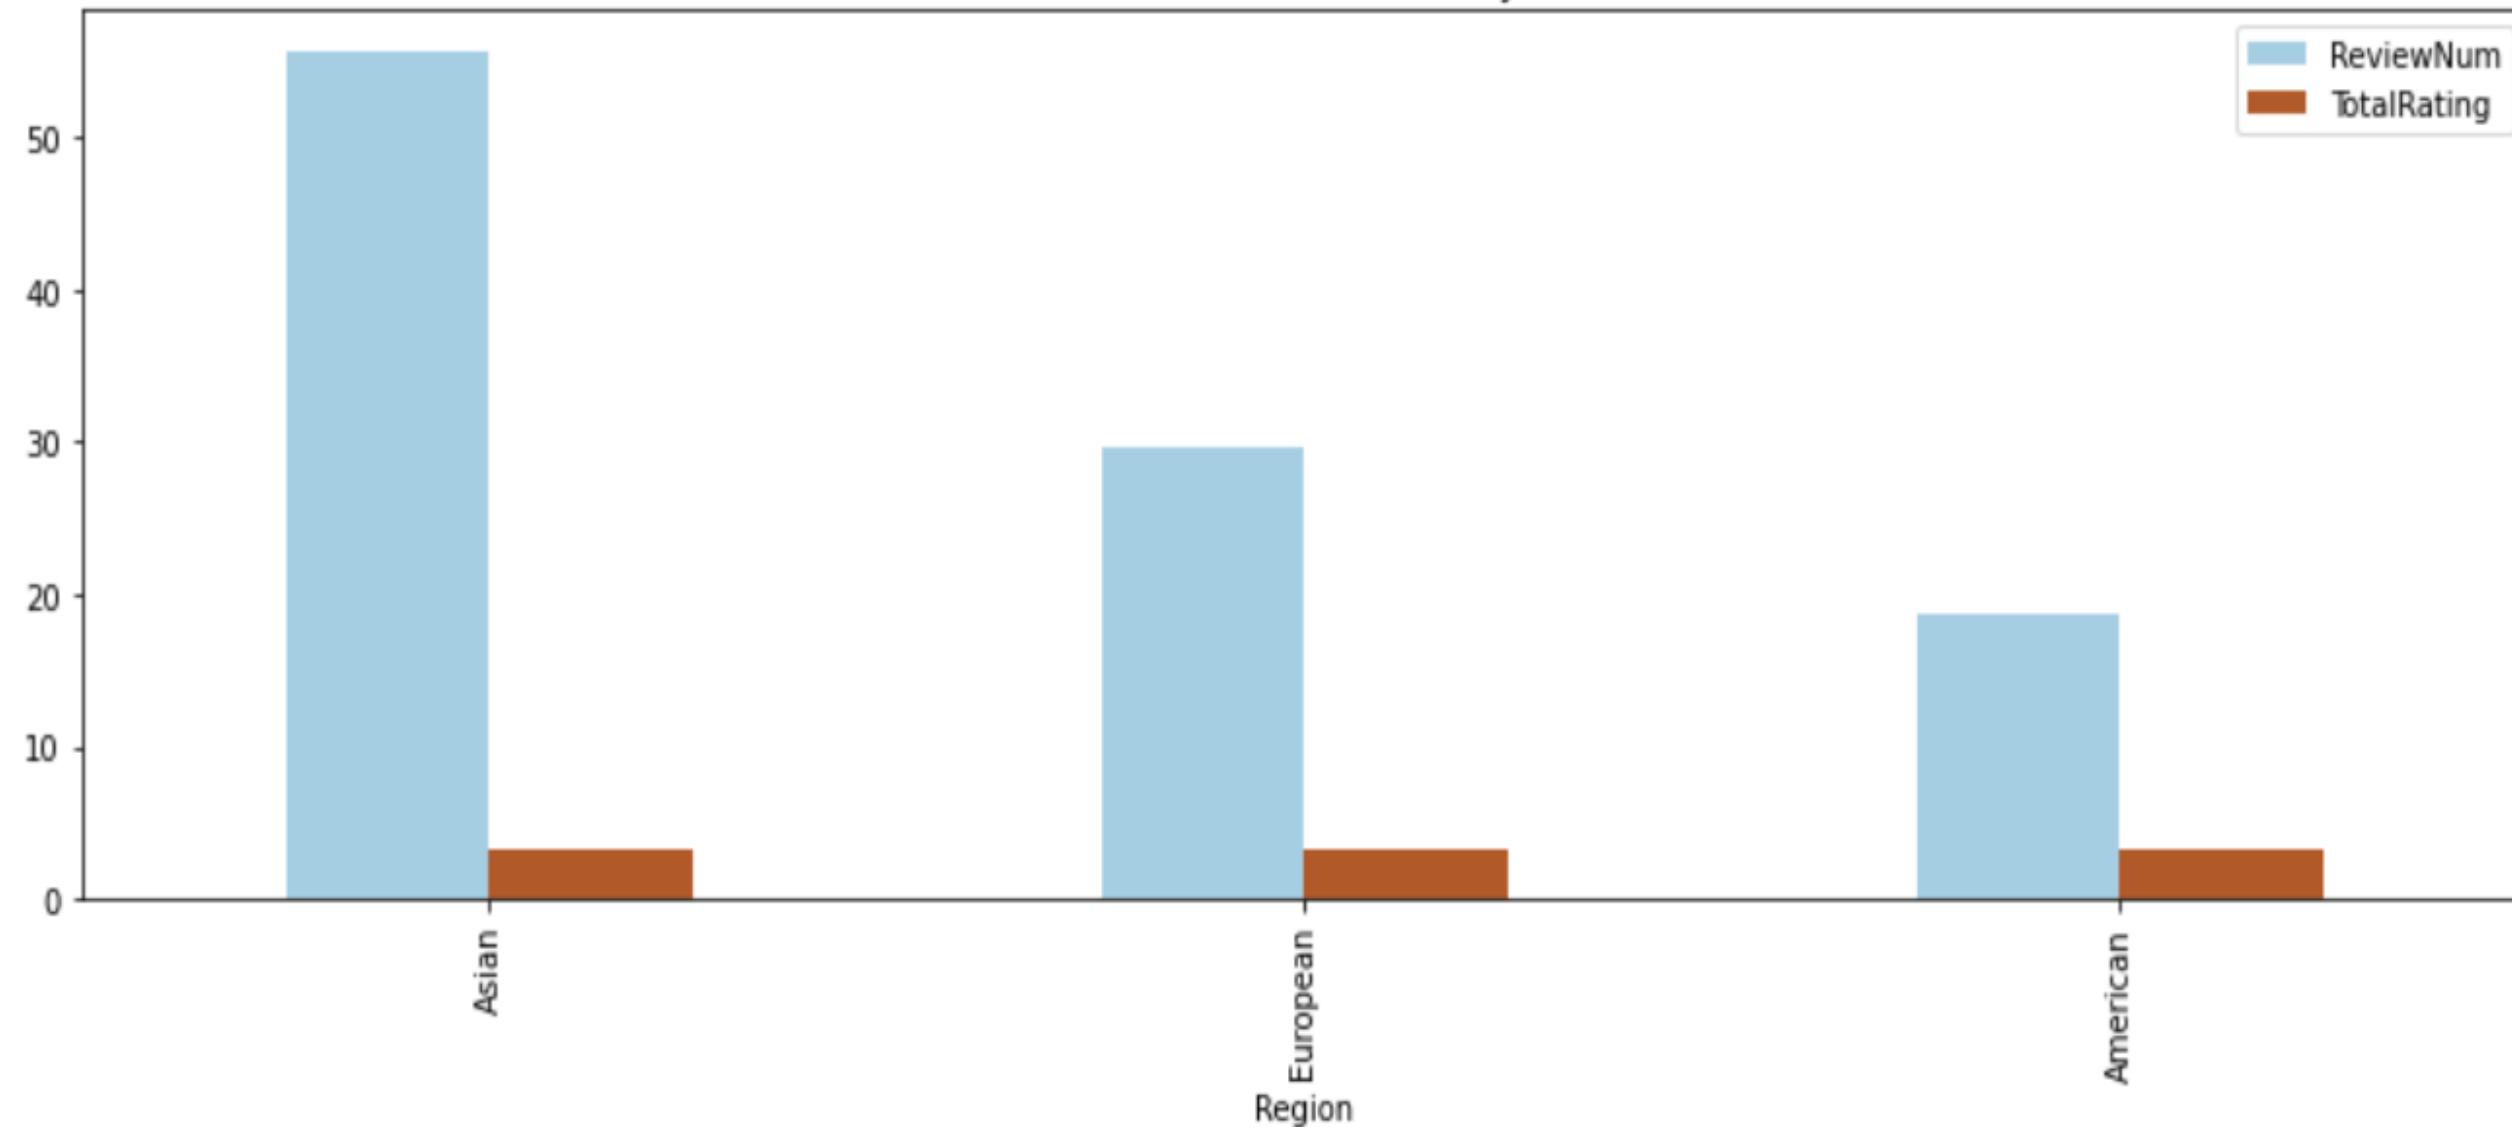

- People's rating of restaurants were similar across cuisine type
- This could mean most restaurants in Kyoto are decent, but not jaw-dropping.

# Average Review Number & Rating

Region	ReviewNum	TotalRating
American	18.73	3.25
Asian	55.53	3.31
European	29.72	3.31

Average Rating and Review by Region  
Review number is divided by 100

- As previously mentioned, ratings were similar
- But review numbers are significantly different
- This means Asian restaurant are more popular than the others and people care to review them more
